Schiphol

VIP service at Amsterdam Airport Schiphol

Schiphol's VIP service offers the most exclusive way to travel at our airport. Total privacy, a quiet space and personal service are guaranteed, regardless of the airline you are travelling with. Separated from the terminal, our VIP centre lets you avoid the crowds completely, while our team takes care of all the practicalities for you. You are free to sit and relax or get some work done and enjoy our excellent food and beverage service.

VIP service on departure

Ask your (taxi) driver to drop you off at the VIP centre entrance, or book our Terminal Valet Parking service. We can also arrange your transport to the VIP centre with our transport partners. Our friendly team will be there to welcome you at the VIP centre and walk you over to one of the exclusive VIP lounges. While you relax, we will check you in for your flight and handle any baggage. The passport control takes place in the VIP centre as well. We will be on-call for any questions you may have.

We'll keep an eye on your flight and, when it is time to board, will come to collect you from your lounge, guide you through our private security check and drive you to your flight in a luxury car.

VIP service on arrival

We will come to greet you when you leave the aircraft and drive you to the VIP centre in a luxury car. While you relax, we'll collect your baggage for you and take care of all arrival formalities. If you only have hand baggage, we will escort you to the exit so you can quickly be on your way. It is also possible on arrival to have our partners provide your onward transport.

VIP service for transfers

Also when you transfer to a connecting flight at Schiphol, our team is at your disposal. On arrival, we'll meet you at the aircraft and drive you to the VIP centre in a luxury car. You can relax, freshen up or have a bite to eat in one of our comfortable lounges while we take care of all the travel formalities. We'll also collect your baggage and bring it to your next flight. When it's time to board, a luxury car will see you to the aircraft.

VIP centre services

Food and beverages are all included. Enjoy tasty foods full of fresh ingredients all day long. There is a changing daily supply and if you have any food allergies or special requests, our chefs will be more than happy to assist.

You can easily block out the daily bustle in your lounge. Enjoy quality time with your travel companions, take a quiet moment for yourself or catch up business with colleagues.

Exclusive facilities

The VIP centre offers you numerous amenities. There is a comprehensive selection of international newspapers and magazines. You can also use a wellness service and a shower, conference rooms and call facilities and an excellent W-Fi network. Moreover, the VIP centre is directly connected to the shopping area at the airport. For our younger guests, we have a variation of (digital) toys.

Unique setting

The VIP centre exudes Dutch heritage and design. Internationally acclaimed design studio Marcel Wanders has redesigned its interior. The Dutch culture and history with iconic design pieces, paintings as well as other works of art, are the point of focus. The lounges and suites offer a different theme and mood and highlight a different facet of Dutch culture and creativity. Our team looks forward to welcoming you to this unique location at Schiphol.

The VIP centre is open daily from 6 am to 11 pm.
