# VIP service at Amsterdam Airport Schiphol

Schiphol's VIP service offers the most exclusive way to travel at our airport. Total privacy, a quiet space and personal service are guaranteed, regardless of the airline you are travelling with. Separated from the terminal, our VIP centre lets you avoid the crowds completely, while our team takes care of all the practicalities for you. You are free to sit and relax or get some work done and enjoy our excellent food and beverage service.

## VIP service on departure

Ask your taxi or driver to drop you off at the VIP centre entrance, or use Schiphol Terminal Valet Parking. Do try to arrive at least 90 minutes before your flight, to leave us enough time to take care of all your travel formalities. Meanwhile, you can relax in comfort until boarding time. Naturally, we would also be more than happy to show you around.

Our friendly team will make you feel welcome at the VIP centre and show you to one of our exclusive VIP rooms or, if available, to a private lounge. While you relax, we will get you checked in, take care of passport control, bring your bags to the plane and attend to any further wishes you may have.

We'll keep an eye on your flight and, when it is time to board, will come to collect you from your lounge, guide you through our private security check and drive you to your flight in a luxury car.

# VIP service on arrival

We will come to greet you when you leave the aircraft and drive you to the VIP centre in a luxury car. While you relax, we'll collect your baggage for you and take care of all arrival formalities. If you only have hand baggage, we will escort you to the exit so you can quickly be on your way.

## VIP service for transfers

Passengers transferring to a connecting flight at Schiphol can also use the VIP service. On arrival, we'll meet you at the aircraft and drive you to the VIP centre in a luxury car. You can relax, freshen up or have a bite to eat in one of our comfortable lounges while we take care of all the travel formalities. We'll also collect your baggage and bring it to your next flight. When it's time to board, a luxury car will see you to the aircraft.

## VIP centre services

The VIP centre offers tranquil spaces to enjoy quality time with your travel companions, take a quiet moment for yourself or catch up on business with colleagues. Food and beverages are all included, as are a comprehensive selection of international newspapers and magazines.

## Custom food and beverage

At the VIP centre, we serve breakfast, lunch, dinner and snacks, from early in the morning to late at night. Our changing daily selection features delicious dishes prepared with the freshest ingredients. Naturally, our chefs are always happy to accommodate special wishes or food allergies.

## Exclusive facilities

As well as an extensive food and beverage menu and reading matter, our VIP service includes numerous amenities, including a wellness service and a shower, conference rooms and call facilities and an excellent Wi-Fi network. You can also find various exclusive shops just outside the VIP centre.

## Unique setting

Relax and recharge in stylish surroundings at the VIP centre. Our Dutch Design lounges showcase the creativity of some of Holland's leading designers. Take our Central Lounge, for instance, inspired by the soothing Dutch seaside, our baroque-style Reception Lounge and a Company Lounge featuring Dutch-accented industrial design. The spaces converge at the central bar, where you can sit down for a delicious meal or snack any time of day. Our VIP centre team looks forward to welcoming you to this unique setting at Schiphol.

## Practical information

Various payment methods are accepted for VIP services. Payment by credit card in the VIP centre is preferred. If you would rather pay by invoice, we will send you the invoice by email approximately two weeks after your visit.

The VIP centre is open daily from 6 am to 11 pm. For current rates, directions and a video about our VIP service, please visit the website.
