Setting airport charges and conditions Schiphol 2020-2021

Y.C. van den Broek

October 31, 2019

Dear airline customer,

With this letter, Schiphol would like to inform you about the adjustment of the airport charges and conditions of Amsterdam Airport Schiphol that will apply as of April 1, 2020.

Schiphol published its formal proposal, based on the settlement 2018, for the adjustment of the charges 2020-2021 in September 2019.

When setting the charges and conditions, Schiphol has taken into account the views of the airlines that were brought forward during the consultation period.

Schiphol has decided to set the airport charges 2020-2021 unchanged compared to the proposal in September 2019. This proposal for the adjusted charges is a result of the 2018 settlements only. Based on received views, Schiphol has adjusted the conditions for the allocation of gate and stands (e.g. RASAS) and Schiphol Regulations

Compared to final setting in October 2018, as a result of the settlement 2018, the charges 2020 will be adjusted as follows:

- Landing & Take-Off charges remain unchanged
- Passenger Service Charges increase by €0,01 for both OD and TRF
- Parking charges remain unchanged
- Security Service Charges decrease by € 0,02 for OD and € 0,01 for TRF

Compared to final setting in October 2018, as a result of the settlement 2018, the charges 2021 will be adjusted as follows:

- Landing & Take-Off charges increase by € 0,01
- Passenger Service Charges OD remain unchanged and increase by € 0,01 for TRF
- Parking charges remain unchanged
- Security Service Charges decrease by € 0,01 for OD and remain unchanged for TRF

Please refer to the appendix for a summary of the airport charges 2020-2021.

A full overview of the charges and conditions can be found in the document 'Airport Charges and Conditions 1 April 2020'. This document will be published on our website.
